### **Five bullet points**

Size attention: Please check our sizing chart for the perfect fit before buying. And do not select directly according to your habits. If you like a casual fit or you have big legs, go one size up. The jeans are skinny which tight from ankle to thigh.

Zipper closure and classic straight leg. 70% cotton 28% polyester 2% spandex

Superior design: In the knee area adopts the design of drape processing easy to match daily wear and can be worn casual with flats or boots or relaxed tee, while not restricts your movements.

Classical five pockets for your convenience to keep your keys and wallet. Be sure to remember not to carry heavy things in the same pocket, or it will look very ugly after a while.

Garment care: hand wash with cold water recommended. If you're going to put your jeans in the washing machine, another possible form of support for keeping ripped jeans intact is placing them inside a lingerie wash bag. And then, flat to dry.
